

Oluwabunmi Oke

Frontend Developer

Summary

Dedicated and detail-oriented Frontend Developer with strong foundational skills in building clean, responsive, and user-friendly interfaces. Passionate about creating modern web experiences using HTML, CSS, SASS, and JavaScript. Eager to contribute to real-world projects and continuously grow through hands-on development and collaboration.

Skills

- ❖ HTML
- ❖ CSS
- ❖ SASS
- ❖ JavaScript

Experiences

Although I do not have formal industry experience yet, I have actively built multiple real-world projects that demonstrates my technical abilities, creativity, and understanding of frontend development principles. My hands on project experience reflects strong problem-solving skills, structured coding practices, and the ability to independently bring ideas to life from concept to completion.

Projects

- ❖ Portfolio Website: A modern, responsive personal portfolio showcasing skills and projects.
- ❖ RoyalTouch Barbershop: A clean, stylish barbershop website with services and contact sections.
- ❖ Clothing Products Site: A product landing page for high-class ready-made clothing, including testimonials and Google Maps.

Education

Federal University of Agriculture, Abeokuta

B.Agric -- 2024
